

## SANI- SCRUB®

### 3-IN-1 SURFACE CLEANSER

#### 16 FL. OZ. (500 ml)

**SANI SCRUB** removes buildup of hard water minerals, rust, dirt, grime & stains without scratching or dulling the surface of glass, porcelain, ceramics, stainless steel, chrome, laminates, marble & granite. It simultaneously shields surfaces against the adhesion & buildup of organic & inorganic soil for easier next-time cleaning with Sani-Shield® and other spray cleaners.

It also provides an invisible “antimicrobial” and stain-resistant barrier coating on which odor-causing bacteria, mold and mildew will not grow in-between regular cleaning.

U.S. Patent 7,704,313 - Int'l. Patents Granted

#### DIRECTIONS FOR USE:

- (1) Apply SANI-SCRUB to damp cloth, sponge or non-scratch scrubber and gently massage soiled surface with overlapping motion until soil softens.
- (2) Thoroughly rinse surface with water until residue-free. Dry with cloth or paper towel.

#### WARNING:

**EYE IRRITANT:** Avoid eye contact. If contacted, flush with water for 15 minutes. See physician if irritation develops. **KEEP OUT OF REACH OF CHILDREN.**
